

March 2nd, 2024

Dear FISA board member,
Dear FISA delegate,
Dear President of a FISA-affiliated club,

We are pleased to announce that FISA will hold its
51st Congress and General Assembly on May 29, 2024 at 10 a.m. in Versailles, France,
in one of the rooms of the Hôtel de Ville (4, avenue de Paris, Versailles).

We've chosen Versailles so that you can combine this visit with that of the Paris-Philex 2024 national exhibition, which runs from May 30 to June 1, 2024 in Paris (see attached document), and enjoy Paris and Versailles in May.

The Congress will be an opportunity for the new FISA President to present FISA's orientations for the coming years.

The detailed program of the 51st Congress will be announced shortly.

- A visit to the Château de Versailles will be organized for Congress participants on the afternoon of May 29.
- In addition, if enough FISA Congress participants show interest, we can organize a 1-frame exhibition of aerophilately and astrophilately, open only to Congress participants and guests.

Attached is a list of hotels in Versailles, less than 10 minutes' walk from Versailles town hall and the Versailles-Château/Rive Gauche train station, with direct links to Paris.

Don't wait too long to book, as Versailles and Paris are highly sought-after tourist destinations in May!

To sum up

- 1/ let us know as soon as possible if you will be attending the FISA congress (number of people),
- 2/ book the hotel of your choice in Versailles (or Paris) as soon as possible,
- 3/ also let us know as soon as possible if you wish to present a collection, 1 frame (16 sheets).

We look forward to welcoming many of you to Versailles, and to making this a festive occasion for aero- and astrophilatelists!

On behalf of the FISA Board of Directors,

Stefan Bruylants
FISA General Secretary
